ILEA WELCOMES DIRECTOR BRADY CARNEY

We are excited to announce that **BRADY CARNEY** will be taking the reins of leadership as Director of ILEA **beginning March 6, 2023.**

Brady brings with him a wealth of knowledge and perspective from Des Moines Police Department all of which will be vital to the training and education of peace officers, jailers, and telecommunicators across the State.

Below is an excerpt of Governor Reynolds News Release:

“Sergeant Carney’s years of experience in police patrol, investigation, and intelligence have prepared him to provide the best possible training experience for recruits,” stated Governor Reynolds. “I’m confident

that his proven leadership abilities will continue the tradition of excellence at the Iowa Law Enforcement Academy for the next generation of officers.”

“I’m excited for the opportunity to use my background and training to develop Iowa’s new peace officers,” Sergeant Carney remarked. “Law enforcement training is dynamic and must always evolve. The citizens of Iowa deserve excellence from their public servants and the Iowa Law Enforcement Academy will work tirelessly to ensure those expectations are met.”

During his career with Des Moines Police Department, Carney has served as a uniformed patrol officer and narcotics investigator and has trained and supervised other officers throughout. He was named Des Moines Police Officer of the Year in 2019 and was promoted to the rank of sergeant in 2021.

IMPORTANT MESSAGE:

The National Guard will be beginning a maintenance project on the areas directly behind the ranges in the very near future. This maintenance is required to be in compliance with regulations. They will relocate our small arms ranges to the north side of Camp Dodge as to not interrupt these trainings. However, long rifle ranges will be limited during this time. We apologize for any inconvenience this might cause.
